Welcome to the 11th edition of **The Outaouais Dental Congress 2026**

Dear Partners,

It is with great pride that we invite you to take part in the **11th edition of the Outaouais Dental Congress**, which will be held on **Saturday, October 17, 2026**, at **The Palais des congrès de Gatineau**.

This new edition will revolve around a theme that reflects the current realities of the profession:
“Building the future, caring for the present”

In a context where scientific advances, technologies, and patient expectations are evolving rapidly, dental professionals are called upon to balance clinical excellence in their daily practice with a long-term vision.

Since its creation in 2014, **the Outaouais Dental Congress has established itself as a key event for education and exchange within the dental community**. Dentists, hygienists, assistants, administrative staff, and industry partners gather each year to share knowledge, experience, and perspectives.

The 11th edition will continue this commitment by offering a high-level program, valuable networking opportunities, and an environment that fosters meaningful dialogue between professionals and industry partners.

Your presence alongside us directly contributes to the vitality of this event and to the ongoing development of the Outaouais dental community.

In this document, you will find various partnership opportunities designed to provide your organization with a relevant and meaningful presence among attending professionals. We hope to have the pleasure of welcoming you for this new edition.

2 – Terms and Conditions

All required information and associated details are specified therein, including the “Terms and Conditions.”

3 – Confirmation

Please send your duly completed form to the indicated address. Once payment has been received, we will confirm your reservation with you. If applicable, your organization’s logo will also be added to the online exhibition hall floor plan to confirm your booth location.

Once your booth reservation is confirmed, your company name will be integrated into the exhibition plan at the corresponding booth location. By providing us with your URL, we will include it in the plan with a direct link to your website.

These agreements form an integral part of the contract between Agence dentaire de l'Outaouais and the Exhibitor. Agence dentaire de l'Outaouais retains full authority over the interpretation and application of these agreements and may amend them as needed.

All elements not included in this contract are subject to the decision of Agence dentaire de l'Outaouais. Any decisions made shall be binding on all parties involved, to the same extent as the specified requirements. Exhibitors or their representatives who fail to comply with the conditions or who, in the opinion of Agence dentaire de l'Outaouais, behave unethically, may be denied access to and expelled from the exhibition hall, without refund or right of appeal.

Agence dentaire de l'Outaouais leases to the Exhibitor a booth space located within the exhibition hall, Chapleau and Gatineau rooms at The Palais des congrès de Gatineau, 50, boulevard Maisonneuve, Gatineau, QC J8X 4H4, for the Outaouais Dental Congress — 11th edition, on Saturday, October 17, 2026, from 7:00 a.m. to 5:00 p.m.

Booth locations will be assigned by Agence dentaire de l'Outaouais upon receipt of a signed reservation form, accompanied by full payment of the required fees. Agence dentaire de l'Outaouais reserves the right to modify the exhibition layout or relocate exhibitors or exhibition items.

Furthermore, registration for the exhibition does not grant access to the conference sessions of the Outaouais Dental Congress 2026 program, nor to catering services.

The Exhibitor must keep their booth open and adequately staffed during exhibition hours — that is, Saturday, October 17, 2026, from 7:00 a.m. to 5:00 p.m. Under no circumstances may the Exhibitor close or dismantle their rented space before the official closing of the Congress, unless otherwise instructed by Agence dentaire de l'Outaouais.

Products and Materials

The Exhibitor's products and materials must not be delivered to The Palais des congrès de Gatineau before Friday, October 16, 2026. The Exhibitor must remove all goods and equipment from the exhibition hall (Chapleau and Gatineau rooms) on Saturday, October 17, 2026, after the end of the event.

Booth Setup and Dismantling

Booth setup may take place on Friday, October 16, 2026, from 1:00 p.m. to 6:00 p.m. Booths must be dismantled after 5:00 p.m. on Saturday, October 17, 2026.

Booth Configuration

All display equipment, including banners and table coverings, must be flame-retardant and is subject to inspection by the fire department. No objects, signs, or materials may be attached to walls, columns, ceilings, curtains, electrical installations, etc. The use of nails, screws, hooks, tacks, or similar devices on walls, columns, floors, or carpeting is strictly prohibited. The Exhibitor will be held responsible for any damage caused by their employees or representatives.

The sound level of audiovisual equipment used in booths must be kept low enough so as not to disturb other exhibitors. Any activity likely to attract a crowd that may block aisles or interfere with neighboring booths must be approved by Agence dentaire de l'Outaouais.

No booth may be set up outside of the designated exhibition hall.

Chapleau and Gatineau Rooms

The Exhibitor must confine their booth to the allocated space and ensure it does not obstruct other exhibitors. All visible parts of booths or equipment must be properly finished to maintain a professional appearance when viewed from neighboring booths or aisles.

The Exhibitor must ensure that their booth remains distinctive and well organized at all times.

Furthermore, Agence dentaire de l'Outaouais reserves the right to retain the non-refundable portion of the Exhibitor's booth rental fees to cover expenses incurred prior to the occurrence of such conditions.

Should the selected exhibition venue become unavailable for any reason, or should other circumstances arise which, in the opinion of Agence dentaire de l'Outaouais, compromise or significantly diminish the quality of the exhibition, Agence dentaire de l'Outaouais reserves the right to relocate or cancel the exhibition. In such cases, Agence dentaire de l'Outaouais shall not be held responsible for any costs incurred up to that point. If the exhibition is cancelled, only the booth rental fees paid will be refunded.

Measures will be taken to ensure the protection of exhibitors' property. However, by signing the partnership agreement form, the Exhibitor acknowledges that Agence dentaire de l'Outaouais cannot be held liable for any loss or damage, regardless of cause, to the Exhibitor's property during the Congress. The Agency strongly recommends that exhibitors obtain comprehensive insurance coverage. In addition, the Exhibitor agrees that Agence dentaire de l'Outaouais cannot be held liable for any injury or damage sustained by the Exhibitor's representatives, employees, or visitors within the exhibition premises. The Exhibitor releases Agence dentaire de l'Outaouais from any liability for claims or costs arising from damages or injuries sustained by any person at the Exhibitor's booth, whether caused by an act or omission of the Exhibitor or its representatives.

In such cases, the Exhibitor agrees to pay any required indemnities. Agence dentaire de l'Outaouais requires exhibitors to carry liability insurance with coverage of at least \$1,000,000. This insurance must cover the Exhibitor against any bodily injury or property damage caused to third parties.

In addition, the Exhibitor must name Agence dentaire de l'Outaouais as an additional insured. At least one month prior to the exhibition, the Exhibitor must provide a copy of this liability insurance policy.

Cancellation Policy

Any request to cancel the rental contract for exhibition space must be made in writing and sent to Agence dentaire de l'Outaouais.

However, any request received:

Before August 31, 2026: a refund of 70% of the total amount paid will be issued.

After August 31, 2026: no refund will be issued.

Agence dentaire de l'Outaouais reserves the right to terminate this agreement if the Exhibitor fails to comply with the terms of the contract or defaults on any of its obligations.
